PANTHER TRAILS

Published By
Students Of
Saint Jo
High School

Saint Jo, Texas

1954-55

Foreword

In this edition of the PANTHER TRAILS, we are telling the story of 1954 and 1955 at Saint Jo High School. As you turn these pages in the years to come, we hope you will recall pleasant memories and familiar faces.

This, the tenth yearbook published by the students of our school, will be, we hope, a means of bringing Saint Jo High School back into your lives as long as you turn the pages and remember the incidents of twelve of your best years.

THE STAFF

Eddie Dill

Dedication

Though their work may go largely un-noticed and their praises be unsung, we want them to feel they are remembered, and it is with deepest appreciation, and pleasure that we dedicate this year's PANTHER TRAILS to the Saint Jo Parent Teachers Association, the Quarterback Club, and the Band Mothers' Club.

On the picture pages throughout this book are the names of firms who have generously contributed the equivalent of either a full page, half page, or a fourth page advertisement.

We are sincerely appreciative of their interest in our efforts and are fully aware that without their aid our annual would be an impossibility. To these people, we say in all sincerity, "Thank You".

In Dear Old Saint Jo High School

In dear old Saint Jo High School,
Beneath the Texas sun,
It's here our lives are happy
Our hours are spent in fun.
We love to work,
We love to play,
Spending many a long happy day.
And when our school is over,
And life has just begun,
We always will remember
What our school has done.
We'll always work and strive and try,
To keep old Saint Jo's ideals high.

We strive to work together and help
each other too,
In basketball, in football, in track
and tennis, too,
We crown ourselves in glory bright
For the fame of maroon and white.
The faculty that helps us to reach our
higher aims,
Will share with us the glory of Saint
Jo's future fames,
We hate to think the time is nigh
When we depart from dear old Saint Jo High.

Dear Panther Editor,

Why is it that when I see one of your ball games that the only people I see in your cheering section are the cheer leaders and three or four high school girls? Why is it that nearly everything is pushed off on the band? Why is it that every body wants to sit with his or her girl friend or boy friend and not be in the rooting section? Why is it that the high school pupils follow the ball

Donald Ice, one of the chapter members, received his show calf, for which he paid 20 cents a pound, from Mr. Fisher of Gainesville. The calf will be shown at the Montague County Livestock show which is to be held in April. This year the show will be held in Bowie. The chapter has had an offer of $195 made to them by coach Bynum Smith for four calves.

BAND

The Saint Jo Band played at Alvord for the football game October 15, and received many complimentary remarks on their performance.
